What's New in SalezShark?

Introducing the New and Improved *Connect+ Chrome Widget!*

We're excited to share the updated version of our Connect+ Chrome Widget, designed to make your data collection even easier. Now, you can safely gather data from LinkedIn company and executive profiles without worrying about being blocked. Plus, you can still extract data from any website using just the URL and save it directly into your Connect+ contacts. This update ensures a smooth, secure, and efficient way to manage your data with seamless integration into your contact management system.

Happy data collecting!

Key Enhancements in Version 6.0

- Website Data Fetching

- Seamless Integration with Connect+

- Enhanced Data Management

- Optimized User Experience
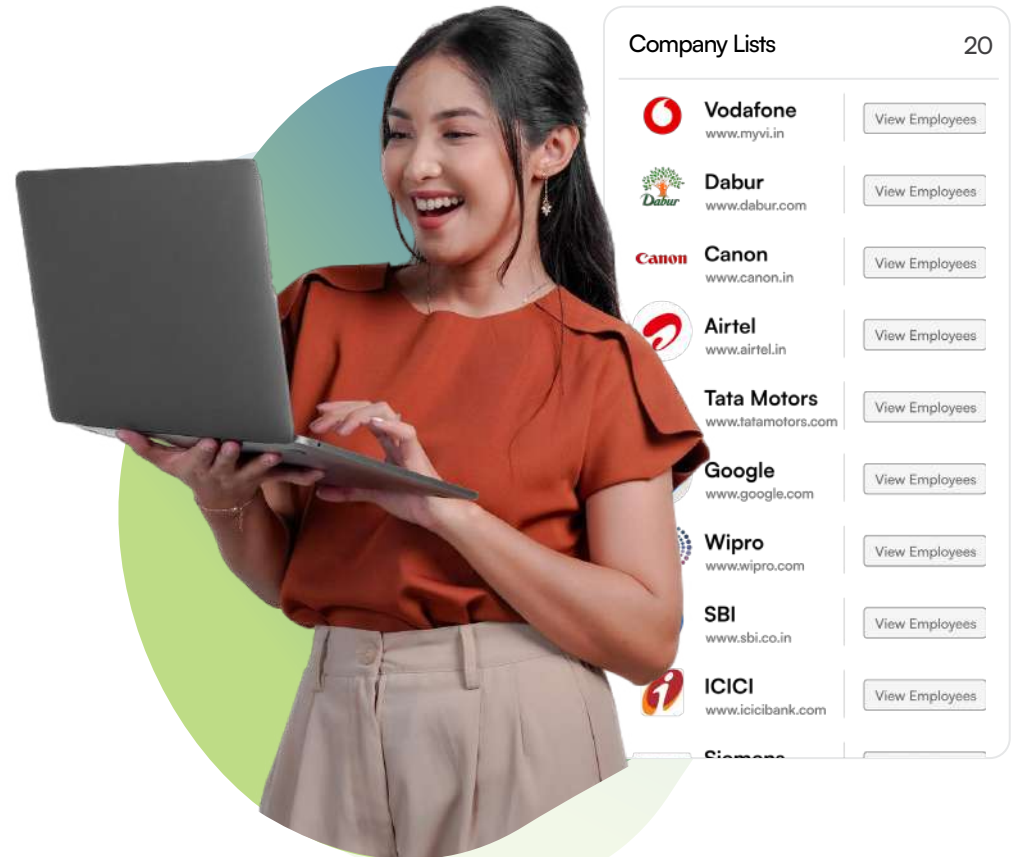

100% Revenue Growth with
AI-Based Email Sequencing

We are thrilled to introduce the new AI-Based Email Sequencing feature, which enables users to create dynamic, automated email and WhatsApp sequences based on five key trigger points. This powerful tool allows for both simple and complex workflows using conditional logic, offering flexibility in managing customer engagement. With predefined templates like Simple Follow-Up and 10-Day Welcome Series, getting started is easier than ever.

SalezShark Shines at *India Internet Day*

Empowering Businesses with AI-Driven CRM Solutions!

SalezShark was thrilled to exhibit at India Internet Day held on 27th Sept 2024 at Leela Ambience Hotel, Gurugram. Our team had an amazing time showcasing how our AI-powered CRM can help businesses grow faster and smarter. We connected with industry leaders, shared insights, and demonstrated how SalezShark's solutions can streamline sales and marketing for better results.
